Presents:

A Leadership Symposium with Jeff Bormaster

Management for Success

As organizational leaders we are faced with the challenge that we need to lead our agencies through this tough period and not just maintain organizational functioning but achieve improved organizational success.

This leadership symposium will focus on what we, the leaders, need to do to help our agencies achieve even better results because these current tough times are just the beginning of a long period of sustained crisis for our field. We will look at how the leadership can focus our human resources to maximize achievement.
